Easter at KCBC

We have the big privilege of having Aviel Sela from the International Mission to Jewish People (formerly Christian Witness to Israel who we have had before) who is coming on Palm Sunday. He will be leading on the Gospel in the Passover. Please make every effort to be there - a real one-off opportunity and a great start to Easter Week

There are several services over Easter where we have the opportunity to gather together as God's people to reflect, worship and celebrate the miracle of Jesus. Each one has its own unique splendour, and message, to help our understanding of this most important time of our Christian faith. So, come, one and all, come to experience and to learn more about our wonderful Saviour and friend.

From the Minister

Seeking the Spirit is quite a challenge, as many of you have found. I suppose it is meant to be. As we seek the Lord we are stretched to help us grow in perseverance. The attention needed also questions our thirst for the Lord and leads us to develop a greater thirst. Psalm 34 verse 8 instruct us to '*taste and see that the Lord is good*'. Start tasting and all you will want is more. The Psalmist declares in Psalm 42 verse 4 says that, '*My soul thirsts for God*'. That experience is for us too.

The next stage of our process is to get all your feedback sheets and then you will be invited to join with your group and, under the guidance of one of the leadership team, listen to what others have written. Together you are invited to highlight those things that resonate as from the Spirit. Speak to us, Lord, you servants are listening.

Therefore encourage one another and build each other up, just as in fact you are doing” 1 Thess. 5:11

From time to time we all need an extra word of encouragement, a boost or a spiritual hug, so if you have something you'd like to share with the whole fellowship, please do pass it along - a Bible Verse, a particular passage, a faith song, study resource, an idea or simply a passing thought. "So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand" Isaiah 41:10

Our Father, for you nothing is impossible. Thank you Lord, that we can put our faith and trust in your unbroken promises and the living word of truth. We search for guidance from the Holy Spirit to teach us as we face an increasingly uncertain future. We are anxious for our loved ones, especially those who have not yet found you, and feel helpless to influence what is being said on our and their behalf, and actions that are being taken which will directly and indirectly affect us all. But Father God, we who know you now, know that you are in control, that you are mightier than any earthly army, and despite the chaos and uncertainty you have a plan and purpose for each of us. We take comfort in Jesus' words "Come to me, all you who are weary and burdened, and I will give you rest" and we recognise our power to stand with you, on the side of right and mercy, cloaked in your heavenly armour to withstand the forces of evil.

As we enter Lent and approach Easter, we remember the unjust and barbaric treatment of Your Son, the Son you sent to bring hope to all of mankind. May we embrace with a willing heart the gift that you have provided. Remembering that the sufferings of the world, being inflicted upon so many, were also inflicted upon our Blessed Saviour - who now stands in Victory!

Thank you for your obedience, our Lord Jesus, and may we act with that same obedience when you call upon us, knowing that in your name we can move mountains.

Thank you for your continuing grace and mercy in our lives, today and all of our days. In His precious name, Amen.

Christian Response to Eastern Europe Update and Prayer requests March 2025

So much is going on at the moment BUT we can make a difference.

Ukraine

🚩 The next lorry to Ukraine left on Tuesday (17th March) please pray that it arrives safely and for the safety of those delivering the aid in Ukraine and for all those receiving aid.

A message from a Baptist pastor in in Ukraine (a key partner):-

Dear brother Hugh,

*Warm greetings from Ukraine! I want to extend my heartfelt gratitude for your generous support (Lorry loads of humanitarian aid and monthly money grants). During this difficult time of war, your kindness and faithful partnership have brought real hope and help to many people here. We **deeply appreciate** your heart for Ukraine and your desire to stand with us in this season of need.*

I would also like to share with you how your donations have been used in recent months to bless and support many lives:

- We continue to assist refugees who have been **displaced by the war**, as well as many local families in desperate need.*
- We are supporting 10-12 **families of soldiers** who are currently serving at the front lines. These families often struggle to provide for their children while their husbands and fathers are away defending our country. The soldiers don't always get paid by the Army.*
- We also help families who have found themselves in **severe life circumstances**. One of them is Natasha—a courageous mother battling cancer. Despite her illness, she is raising her three teenage sons alone in a remote village. Your donations have made it possible for us to offer her practical help and encouragement during this very hard time.*

*In addition, we assist several families who are caring for children with **cerebral palsy**. These mothers dedicate their entire lives to their children and are in constant need of support.*

Beyond helping families, your generosity has allowed us to:

- Purchase and deliver **tourniquets** to our soldiers on the front lines.*
- Pay for **fuel for our chaplains**, enabling them to travel to dangerous areas where they minister to soldiers and deliver supplies.*

- Produce camouflage nets, trench candles, and energy snacks at Grace Church, which we send regularly to the front.
- I and my wife visit and financially support **the wives and children of soldiers**, offering them encouragement and hope through personal connection and prayer.
- I continue to **visit soldiers in hospitals**, many of whom have no family visiting them. We often provide them with necessary medications and personal care items.

• In addition, our **mobile medical centre** from Grace Church continues to visit remote villages. We provide eye examinations, reading glasses for elderly people, check their heart and bloodpressure, and supply basic medications.

• Your support helps cover the costs of these glasses and medicines, making a huge difference in these communities.

Hugh, we are **deeply grateful** to you and all the brothers and sisters in England. Your donations are not only helping meet physical needs, but they are **also bringing light, hope, and encouragement** to those who need it most. Thank you for being such a vital part of this ministry. May God bless you all abundantly for your compassion and generosity! With sincere appreciation,

(Pastor, Grace Church)

We are still very short of befrienders, and we would be grateful if you could please prayerfully consider whether you could be part of this support team. Thank you. The minimum commitment is only 2 hours/month, and you would need to be a good listener and passionate about supporting those in poverty. **PRAYER** We have a Prayer Support Team who meet once a month to pray for CAP clients and the work of CAP Teignbridge.
