### Christian Response to Eastern Europe Update and Prayer requests September

- ▶ Another lorry has arrived and been unloaded and the aid distributed Moldova. We give thanks for all those who make this possible. The recent flooding in Europe and extreme temperatures this summer has meant that many crops have failed so people will be more dependent on the many soup kitchens (and associated food and aid distribution centres) will be needed even more, thankfully they are in place and we are currently able to fund them.
- ▶ The next lorry leaves for Ukraine on Monday 23<sup>rd</sup> September, we pray that all will go well and that it will truly bless all those who benefit. The load will include several generators which will enable a continuous water supply, cooking at the soup kitchens and lighting in underground bunkers.
- ▶ We give thanks and pray for the Pastors in Ukraine and Moldova who help us distribute the aid, show the locals that they have not been forgotten, that people care, that God loves them. We pray that God will encourage and strengthen them.  
Please especially pray for the Pastors both at home and on the battlefield in Ukraine that they will find the words of support for others when they themselves need love and support.
- ▶ Thank you for your prayers for the Summer Camps and all those attending. There were a great success with both young and old who attending in both Ukraine and Moldova. Some in families in Ukraine are now attending church regularly seeking to know more about Jesus so a real blessing. Everyone received good food, played games and generally have lots of fun while learning about Jesus and often took food home for their families (all paid for by CR2EE).
- ▶ Please pray for the success of the shoebox appeal.
- ▶ Please pray for peace in Ukraine and end to the feeling of hopelessness for many in Moldova. That God would bring peace and hope where there is none.

There is much more happening in Moldova and Ukraine that needs our prayers, if you would like to know more about the ongoing prayer requests or answers to prayer please ask Sarah.

If you would like further information about CR2EE or have anything to donate, Nick & Sarah would be only too pleased to hear from you.

## Shoebboxes

Once again we hope to send Shoebboxes to Moldova and Ukraine this year.

Please bring the boxes with you on or before **Sunday 3<sup>rd</sup> November**, if you can't do a shoe box you could bring any of the following items which could then be used to top up other boxes.

*Each shoebox should contain the following new items:*

- **hat/scarf/mittens (or gloves)**
- **toothbrush and toothpaste**
- **soap and flannel**
- **a gift and some sweets**

For a child: in addition, they can contain underwear/ socks, a soft toy, a colouring book and pencils or a jumper. A ball is a good addition.

For an adult: make-up/wind-up torch/paint set/pen and notebook/razor/shaving gel/jewellery.

All items for a shoebox should be new and age appropriate. With the sweets a small bag of jellies/small chocolate bar for a younger child or for an adult a bag of mints/toffees.

If you are short then please let us know (when the boxes are dropped off) as we can add to them.

Shoebboxes should be ideally wrapped top and bottom separately and banded and as full of new goodies as possible. Please ensure any food is dated for Jan 2025.

The following items should NOT be placed in a shoebox: glass, medicines and playing cards or written word.

# A few ideas for Christmas Shoeboxes

christian  
response  
to  
eastern  
europe

It's that time of year when many are asking about making up a Christmas Shoebox to fill it with lovely gifts for a child, or even an adult, in Moldova or Ukraine.

Use your imagination to decide what to put into the box, that way all the boxes will be different which is lovely.

**MOST IMPORTANTLY**, all items **MUST be NEW**, as we certify everything in the boxes is new and we risk the whole load being rejected and turned back at customs to return to the UK if anything used is found in the Christmas boxes. We appreciate this is costly but why not get together with friends and make one really good box. Used toys etc. is always appreciated but not in the Christmas Boxes.

If you would like to make up a box fill it to the brim with suitable items, wrap it in nice paper, seal it up and mark clearly on the outside the age and gender the box is for.

You will have your own ideas for items you think a child of that age, or adult, would like but here are some suggestions if you need some help:-

A good start is a tooth brush, tooth paste and some soap with flannel, maybe a woolly hat and gloves. In addition everyone likes chocolates, children always appreciate a toy, a doll, toy car or cuddly toy, dinosaurs, a tennis ball, building bricks (i.e.lego type), tapestry or embroidery kits, pencils, pens, colouring pencils, colouring books, sharpener, note books, socks, and, of course, sweets!

There's lots more we're sure you can think of!
